(check applicable box)

☐ the **radio** programming contains a personal audio statement by the candidate that identifies the candidate, the office being sought, and that the candidate has approved the broadcast.

☐ the **television** programming contains a clearly identifiable photograph or similar image of the candidate for a duration of at least four seconds, and a simultaneously displayed printed statement identifying the candidate, that the candidate approved the broadcast, and that the candidate and/or the candidate's authorized committee paid for the broadcast.

AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- 1) actual air time and charges for each spot;
- 2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- 3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual times the spots air and the rates charged, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that specific spots aired and the rates charged. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.
